eMitter BEEP

Fits in all stations

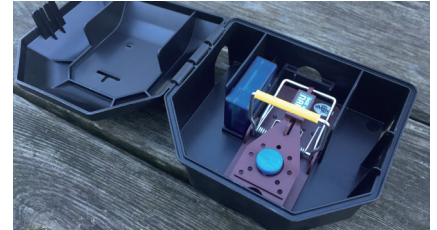

RUNBOX
ECO

Perfect solution for acute house mouse infestations in a solid and foldable cardboard cover.

RUNBOX
PRO

The most professional approach against house mouse for IFS, AIB, BRC etc. with practical folding solution for easy transportation.

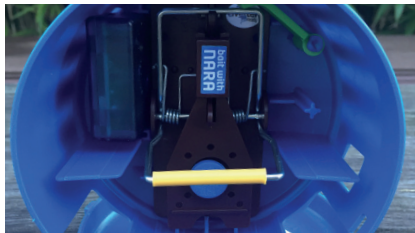

SNAPBOX
eMitter-ready

Classic Dome Box solution with higher lid for solid monitoring, made for eMitter.

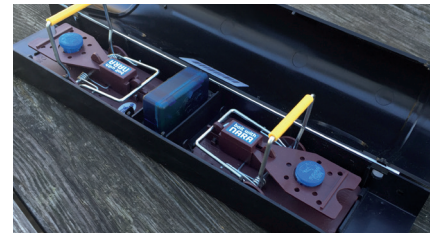

GORILLA TRAPS
WORLD'S TOUGHEST TRAPS

Gorilla Traps - the toughest traps in the world! Ultra strong and robust traps for mice and rats, especially engineered for use with eMitter products: with the clever adapter you can attach eMitter BEEP, BASIC and PRO transmitters directly to the trap itself. With this trick you can convert a classic trap into an intelligent solution which can be used with all common rat boxes.

SWOPBOX

Especially made for highest standards like AIB and all wet and high-hygiene areas the safest monitoring in any production site.

Speed-Break

The German classic for house mouse infestations.
